

**CopTech's unique one-to-one chemistry lets you close sales the way no other event can**

***"CopTech is where my agency bought...***

**\$370,000 in wireless routers, a vehicle location system and 170 new laptops."**

*Calcasieu, LA Sheriff's Dept.*

**About \$170,000 in mobile data devices for in-car connectivity."**

*Cheyenne, WY Police Department*

**A \$12,000 SWAT robot we didn't even know about until we saw it at CopTech."**

*Pueblo, CO Police Department*

**We found a new vendor for E-Ticketing, one for ALPR, new evidence management software, and there's more coming."**

*Dallas, TX Police Department*

**Our agency purchased a solution for online crime reporting and a software suite for police personnel management."**

*Loudon County, VA Police Dept.*

**After CopTech, we bought new on-officer cameras, surveillance video, and we're still talking to four other CopTech vendors."**

*Aurora, CO Police Department*

*"I've been to IACP. I've been to CopsWest. CopTech is completely different. You get time with the vendors, to really see if this is something you want to buy. Much better!"*

*Ask the cops. Ask the vendors.*

**CopTech is where *buying* happens.**
